## **CSE103 – Structured Programming**

# **Project Evaluation Rubrics**

		Max.	Awarded
A.	Report		
	i. Introduction / Problem statement		
	iv. System Design		
	v. Program output (Screen shots)		
	vi. Source code		
	vii. Disk/CD neatly attached (Y/N)		
в.	Source Code		
	i. Style		
	Indentation		
	Self-documentation		
	ii. Modularity (small size functions)		
	iii. Error reporting capabilities		
	iv. Code efficiency, strategy, and originality		
c.	Program Execution		
	i. Compile without errors		
	ii. User friendly		
	iii. Error free during runtime		
	iv. Program output		
D.	Presentation and Demonstration [Psychomotor Domain]		
	i. Presentation and communication skills (Soft skill)		
Ε.	Bonus		
	i. Extra significant features		
	TOTAL	11	

## **CSE103 – Structured Programming**

## **Project Declaration**

## (Student 1)

(Statem 1)				
Student ID	2018-3-60-113			
Name	Syed Shahriar Rakib			
Session	Summer 2019			
Project No.	10.Text editor			
Date submitted	25 August 2019			
Deadline of the project	25 August 2019			
My contribution in doing this project (in percentage) in the group	70%			
Description of my contribution in this project in the group	writing source code,making report,making flow chart of code,burn cd and source code analysing.			
Number of hours I spent in doing this project	Almost 25 hours.			

### (Student 2)

Student ID	2018-3-60-083
Name	Wasif Niaz
Session	Summer 2019
Project No.	10.Text editor
Date submitted	25 August 2019
Deadline of the project	25 August 2019
My contribution in doing this project (in percentage) in the group	30%
Description of my contribution in this project in the group	Source code and report analysing.

Number of hours I spent in doing this	Almost 10 hours.
project	

We hereby certify that this project represents the work done by all our group members with our contribution clearly stated above without copying from any other resources. We declare that no part of our work has been copied from or by other groups, and that no collusion has taken place with any other persons or groups.

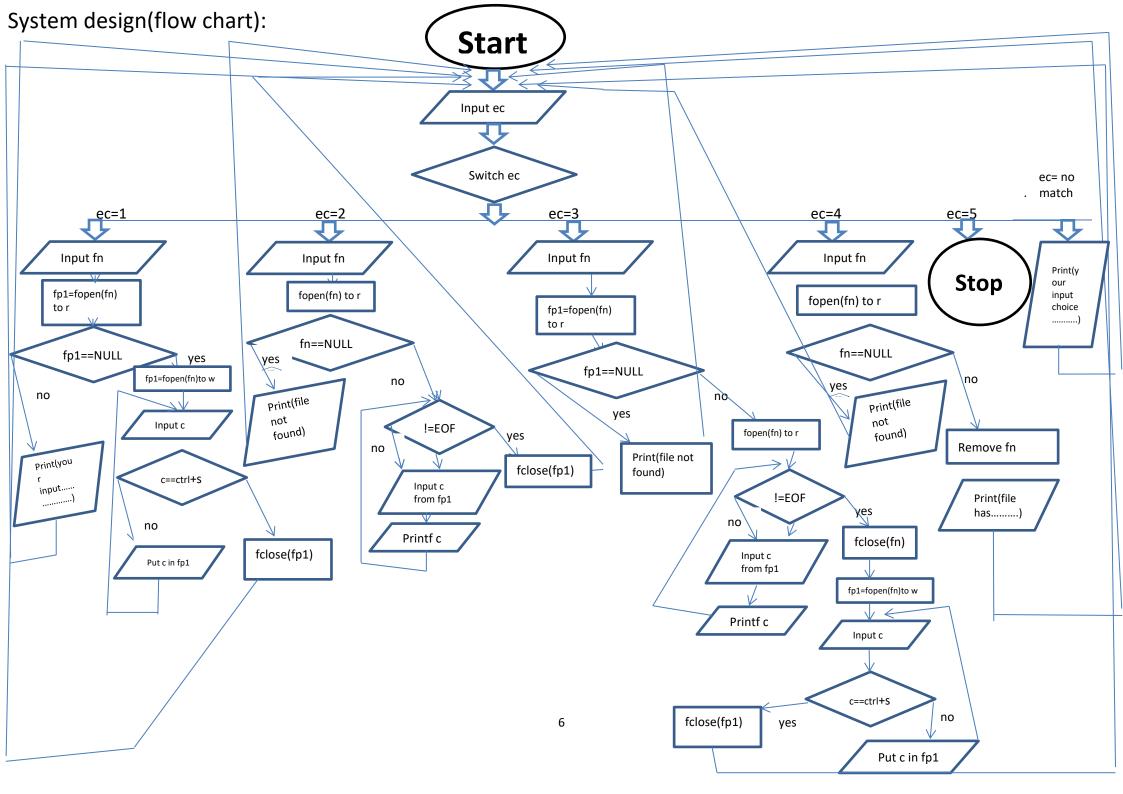

We certify that any disks submitted with this project have been virus checked and have no viruses on them.

# INTRODUCTION ON MY PROJECT

## "What is Text Editor"

Text editor is a place where we can add any data(such as phonebook, daily information etc.) to save in a file. When data is need we display this. We can also edit, delet this file.

#### Programme output:

#### Screenshot01

```
***** WELCOME TO TEXT EDITOR *****

MENU:

1.CREATE
2.DISPLAY
3.EDIT
4.DELETE
5.EXIT

Enter your choice : 1
Enter your new filename where your text will be save : personal
Type the text and press 'Ctrl+S' to save

My name is Syed Shahriar Rakib.

******

MENU:

1.CREATE
2.DISPLAY
3.EDIT
4.DELETE
5.EXIT

Enter your choice : 1
Enter your new filename where your text will be save : personal
```

#### Screenshot02

#### Screenshot03

```
##### WELCOME TO TEXT EDITOR *****

MENU:

1. CREATE
2. DISPLAY
3. EDIT
4. DELETE
5. EXIT
Enter your choice: 3
Enter the file name: personal
My name is Syed Shahriar Rakib.
Type the text and press 'Ctrl+S' to append.
I am a student.
```

#### Screenshot04

#### Screenshot05

```
****** WELCOME TO TEXT EDITOR *****

MENU:

1.CREATE
2.DISPLAY
3.EDIT
4.DELETE
5.EXIT
Enter your choice : 5
Thank you for using 'Text Editor' press any key to exit
Process returned 0 (0x0) execution time : 10.278 s
Press any key to continue.
```

## Limitations

- ❖ When we input from keboard, we can not use left and right button.
- ❖ When we edit a file ,we can alaways add text at the end of previous text. But we can add text at anywhere.

## **Features**

- ❖ In our programme, we add everything. Besides it has no word character limitions.
- ❖ In our progrrame, we can text add, edit, display and delete.
- ❖ In our programme , the files are saved parmanently.
- ❖ In our programme, we can save many files.

# Conclusion

Our programme is very easy to run and we can easily be add, edit, display and delete file. I think this will be helpful for users.
